

Landscape Construction Foreman

At Nussbaum Group we construct and organically maintain the most exceptional landscapes in the Northwest. We make complex well-designed projects run smoothly and expertly maintain them so they THRIVE.

The Landscape Construction Foreman is critical to each project's success. It is a blended role with leadership, management and putting work in place. They act as Site Lead when Superintendents are not present and are ready to work daily. This position is highly respected and rewarded for strong leadership and a collaborative teamwork approach.

This is a full-time position. We are as committed to the growth of our employees as we are to the landscapes we build. Please see our excellent benefits package outlined below.

Responsibilities:

- Responsible for daily work planning, quality, and accomplishment by the Crew
- Provides on-site project oversight when Superintendent not on site
- Operates and maintains small and large machinery
- Proactively establish and support a positive commitment to Safety on job site
- Be willing to train and mentor Crew members for skill development

Qualifications:

- 2 years of professional landscape experience; a landscape, or related, degree a plus
- 1 year experience leading teams
- Ability to show working knowledge of tools/equipment/practices etc.
- Strong written and oral communication skills- Spanish a plus
- Good physical condition and endurance; able to lift heavy objects and work outdoors in all weather conditions
- Valid WA driver license

Benefits:

- Paid Vacation, Holidays and Sick leave
- Fantastic Medical, Dental and Insurance
- Simple IRA for Retirement Savings
- Company phone
- Training and Mentoring

Please note: Any offer of employment will be dependent upon the ability to verify identity and eligibility to work in the U.S.; and to pass both a background check and drug test.
